From The Chapter Director

Hello From Joe and Patti

Hello and welcome back to reality and Chapter V's newsletter! This newsletter is a short version as I didn't send out any request for articles to the membership. With that noted I will be going back to the full version of the newsletter for August so get your articles ready to send my way! We will be having the hidden number still with that starting in August as well.

Well first of all, thanks to those of you that participated in our Zoom Meeting on the 3rd of this month, as it was good to have some face to face interaction even though it was via the internet! You already know that we plan to start having person to person meeting again starting on July 1st. There will be a few changes from the normal starting with masks required entering the facility. Even if vaccinated, it would be great to stay masked up just as a safety measure when not eating or drinking but seeing as it's not required for vaccinated people we can't enforce it just recommend it!

Now our meeting area has changed! We loved having the service and food at Trotter's but will now be trying the Denny's Restaurant in Kent. The address is 1246 Central Ave N Kent, WA 98032. We will have a separate room in the back of the building (no stairs) and the only downfall is we are being charged for this room! The charge is \$50.00 per hour but money is taken from food sales, so we ask that you purchase dinner there if possible. Some of you went there with us for a social prior to Covid and felt food and service was good so the reason for choosing them.

Now during our Zoom Meeting we discussed a few other things which I will note here and be discussed further at the meeting on the 1st!

Changing of the guards

Social / Picnic at the Martin's

Meeting place if another place is found.

We look forward to having our person-to-person meeting for all to enjoy! As far as precautions if we all do just that we should be able to get back to normal (as normal as we can) and stay that way! So with that said we have always loved to have our hugs, but for now lets eliminate that just to be safe! Lets keep as much of a distance as possible and again stay masked up as much as possible!

See you at Denny's on July 1st!
